

Block library AS-Interface for SIMATIC PCS 7 Version V9.1 with APL. Engineering Software V9.1 for an engineering station (Single License) including runtime software for execution of the AS blocks in an automation system (Single License). German/English. 1 license engineering station, 1 license automation system AS blocks and faceplates for PCS 7 Version V9.1 Supports CM AS-i master ST (ET 200SP), CP343-2, CP343-2P, type of delivery: OSD email address required for delivery

General technical data		
product license		Single License for 1 installation
software class		A
software version		V 9.1
product variations		Standard Version
target system		SIMATIC PCS 7
national language of the software		german / english
vertical image resolution of the graphics card	pixel	768
horizontal image resolution of the graphics card	pixel	1 024
browser software required		no
<ul style="list-style-type: none"> <li>• product function parameterizing function</li> <li>• product function movement function</li> <li>• product function simulation function</li> <li>• product function controlled positioning</li> <li>• product function technological function</li> <li>• product function evaluation function</li> <li>• product function project planning function</li> <li>• Product function maintenance function</li> <li>• product function communication function</li> <li>• product function diagnostics function</li> <li>• product function data acquisition function</li> <li>• product function analysis function</li> <li>• product function commissioning function</li> </ul>		No No No No No No Yes Yes Yes Yes No No No
product component component library		Yes
viewer software required		no
operating system required		see SIMATIC PCS 7
storage capacity of the main memory or RAM minimum	Mbyte	512
design of the drive/storage medium required <ul style="list-style-type: none"> <li>• floppy disk</li> <li>• DVD drive</li> <li>• CD-ROM</li> </ul>		No No No
product feature upgradable/retrofitable component library		No
Certificates/ approvals		
other
