

RT-[E] Mount[®]

The most compact rail-less mounting system under the sun.

Roof Tech[®] was founded on a 40+ year legacy of innovative roofing technologies. Today Roof Tech develops and manufactures a unique line of PV mounting solutions for pitched-roof installations. RT-[E] Mount[®] is the revolutionary mounting system based on a completely rail-less design. Instead of placing PV panels on top of long rails, simply attach the Roof Tech base to rafters or anywhere else on roof decking, then install solar panels quickly and easily. Features include:

Micro Inverter

ADAPTABLE

RT-[E]Mount AIR with 3" clearance for power electronics

COMPACT

All installation parts ship in a single box

VERSATILE

Attaches quickly and easily to rafters or decking*

CERTIFIED

P.E. Certified Report
