

PCS 7 block library SIMOCODE pro V10 Engineering AS blocks and faceplates for integration of SIMOCODE pro C/S/V into the process control system PCS 7 with APL for PCS 7 version V10; engineering software for an engineering station (single license) including runtime software for execution of the AS block in an automation system (single license); German/English type of delivery: OSD software download, email address is essential

General technical data		
software version		V 10
product description		PCS 7 Lib SIMOCODE pro V10
national language of the software		german / english
product license		Single License for 1 engineering station, Single License for 1 automation system
operating system required		SIMATIC PCS 7 V 10
software class		A
target system		SIMATIC PCS 7, SIMOCODE pro C / S / V
Features		
product component component library		Yes
<ul style="list-style-type: none"> • product function diagnostics function • product function controlled positioning • product function simulation function • product function technological function • product function analysis function • product function movement function • product function data acquisition function • product function commissioning function • product function communication function • product function project planning function • Product function maintenance function • product function evaluation function • product function parameterizing function 		<ul style="list-style-type: none"> Yes No Yes Yes No No Yes No Yes Yes No No No
Requirements		
design of the drive/storage medium required		
<ul style="list-style-type: none"> • CD-ROM • floppy disk • DVD drive 		<ul style="list-style-type: none"> No No No
Graphics card		
Software		
browser software required		no
viewer software required		no
Certificates/ approvals		
other
